PROFESSIONAL EXPERIENCE

UI/UX Designer (eCommerce Experience Strategist / UX Product Owner)

National Vision, Inc. | Hybrid – Ohio | 2022–Present

- Own end-to-end UX strategy and execution across four eCommerce brands: AmericasBest.com, EyeglassWorld.com, MilitaryOptical.com, and DiscountContacts.com.
- Led research and design for a checkout modernization across four eCommerce brands, increasing purchasers 9.7% despite a 3.2% decline in active users.
- Redesigned AmericasBest.com navigation to improve product discovery, driving a 35% increase in PDP views, 2% revenue growth, and 2% more eye exams scheduled.
- Led a homepage content redesign that improved purchaser rate 27% year over year.
- Designed the Virtual Try-On experience (Fittingbox integration) to help customers visualize frames before buying, lifting add-to-cart rate by 13% after launch.
- Led user research and supported design for the prescription Lens Wizard redesign, contributing to a 15% year-over-year increase in revenue for the Eyeglass category.
- Led implementation of a brand refresh across two eCommerce brands, aligning web UI with updated brand standards and ensuring visual consistency across the customer journey.
- Drive ongoing conversion rate optimization (CRO) efforts by identifying friction points, proposing UX improvements, and collaborating with functional and development teams to ensure successful implementation.
- Perform UAT testing, validate feature releases, and ensure production implementations meet UX standards and requirements.

Other Key Initiatives: Content Page Optimization • Website Migration from SAP to Magento • Promotion Strategy & Implementation • One-time Password • Multi-Brand UX Governance • Cart/Promotion UI Overhaul

UI/UX & Digital Designer

Freelance | Remote | 2020–2022

- Delivered UX and digital design solutions including web design, brand identity systems, SEO optimization, and marketing collateral for a variety of clients.
- Managed client discovery, requirements gathering, and iterative design feedback cycles from concept through final delivery.

Graphic Designer

Powell Prints | Hilliard, Ohio | 2015–2020

- Produced 300+ customer-focused visual designs while maintaining brand standards, quality requirements, and tight production deadlines.
- Coordinated with production and management teams to ensure final deliverables aligned with original design requirements.
